MEMORANDUM FOR: Director of Training

SUBJECT: Weekly Report #27: Defense Intelligence School (DIS)  
27 September - 1 October 1965

25X1 1. Although I was absent on leave during the week of 20-24  
25X1 September, I have obtained gratifying comments from DIS student and  
25X1 faculty personnel confirming that our Agency speakers- [redacted]  
25X1 [redacted] were most favorably received. In fact, the  
Attaché Department is preparing a letter of appreciation for the many  
assists given by [redacted] who is to assume a new Headquarters assign-  
ment upon return from TDY [redacted]

2. Speakers during the past week were:

25X1 a. [redacted] who spoke on [redacted] to the Attaché  
class on Tuesday and then modified his presentation for the  
Defense Intelligence Course on Friday;

25X1 b. [redacted] on Human Sources--DIC;

25 YEAR RE-REVIEW

25X1 c. [redacted] on Defector Program--DIC;

25X1 d. [redacted] who introduced the  
25X1 [redacted] exercise which will be conducted for the IC/RC  
Seminar group of Attaché-designates on 5 October;

25X1 e. [redacted]--DIC;

25X1 f. [redacted]--DIC;

25X1 g. [redacted] who participated in a panel with DOD repre-  
sentatives for the Advanced Intelligence Course.

25X1 3. Additional mention should be made of [redacted] and of  
25X1 [redacted] for in each instance these were "firsts."

25X1 4. There is no question in my mind that [redacted] brought experience,  
vitality, and enthusiasm to his first presentation. He is clearly  
superior to his predecessor. To be a polished speaker, he needs only to  
learn how much material one can present in a given time. I liked his  
approach and predict he'll contribute much while with OTR.

25X1 5. The panel participants in the Counterintelligence Seminar  
25X1 uniformly agreed that they had never previously been asked to discuss  
CI problems jointly before a student audience. Merrill Kelly, of ACIS,  
and Lt. Col. Frank Welch, from OSI of USAF, gave considerable recognition  
to [ ] personally and commented favorably on Agency CI support.  
Regrettably, the Navy speakers failed to appear, purportedly because of  
transportation difficulties. (When [ ] faculty coordinator,  
"confirmed" the afternoon's arrangements early in the morning, it was  
reported the Navy participants would arrive late because it was not  
realized that the session was to take place at DIS; later, we were  
informed that the Navy official car could not get the speakers to DIS at  
all.) Notwithstanding the absence of Navy representation, the venture  
25X1 proved most successful. [ ] suggested that a CI representative of  
the Department of State, as well as Navy, should be encouraged to par-  
ticipate in a next session.

25X1 6. I have been invited to visit one of the U&S Commands with the  
25X1 Advanced Intelligence class on or about 14 November. Tentatively,  
25X1 [ ] will accompany one class section to STRICOM  
25X1 and CONAD; along with [ ] I am to go to LANTCOM and AFLANT;  
and [ ] will observe operations at SAC  
and at NORAD. [ ] our CIA student, will be with the first party.

25X1 7. Quite a number of the DIS staff and faculty are working on  
25X1 advanced degrees, under financial support from DIA. [ ]  
attained a doctorate last month and [ ] hopes to do so  
by the end of 1966. All of the others are working on Masters degrees.  
25X1 To my knowledge, about seven or eight are doing so. [ ] takes  
25X1 afternoon courses on Tuesday and Thursday; the rest are enrolled in  
night-time courses. [ ] were also sponsored by  
DIA to attend a three-day session on ADP management conducted at the  
Marriott last week.

25X1 8. The funeral of [ ] was reasonably well attended.  
25X1 Almost all of the DIC were able to get away for the services at Arlington  
Cemetery. Representatives from the other courses at DIS attended, too.  
25X1 It is planned to rename the North auditorium in honor of [ ]

25X1 9. [ ] is on TDY to Europe for a two-week period.

25X1 10. For many months, [ ] toted four copies of the Current  
Intelligence Digest from Headquarters to DIS and I did so, too.

Apparently, DIA support was not timely. Recently, the librarian made a test run on student usage. DIA channels were informed that only two copies would be needed. Surprisingly, an extra set of two copies arrived via DIA regularly and promptly, so I have discontinued the hand-carrying procedure on the original order.
